

Are you a **Government Assisted Refugee**?

Are you **a mother** with a **3 to 5 year-old child**?

Reviving Hope and Home

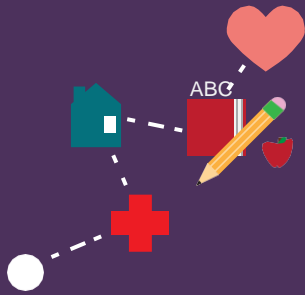

RHH is a flexible, individualized program for Government Assisted Refugee mothers to help them build connections and settle in Canada.

This program includes:

- 1-hour weekly virtual home visits
- Access to curriculum and books
- Tailored settlement action plan developed with an Outreach Worker
- Flexible learning paths and supports

Get the services you need at the right time.

RHH fits your settlement needs by providing:

Individualized Settlement Plans

Trained Home Visitors, who are also mothers

Have fun learning with your child.

Prepare your child for success in kindergarten with proven education programs suited to your family's needs.
